Short Term Trip Insurance

It is our strong recommendation that you consider the addition of travel insurance for your short term outreach team participants. Alternative Missions recognizes that even the best-planned travel can be impacted by the unexpected. Illness...medical emergencies...severe weather...delayed flights...lost passports or luggage. Troubles can occur when you least anticipate them forcing you to cancel or interrupt your trip, lose your vacation investment, and incur unplanned expenses. And when you're away from home, things like medical emergencies and illness are even more difficult to manage. By adding travel insurance to your outreach participants, you can rest assured that all emergencies will be handled quickly, efficiently and without financial burden. For inexpensive and effective travel insurance, we recommend you speak to:

CSA Travel Protection – www.csatravelprotection.com – (800) 873-9855

Travel insurance is not covered in your teams outreach fee, so this will be a cost that you will incur in addition to the Alternative Missions outreach expense. If you choose to not provide travel insurance for your team, we ask that you please sign the insurance waiver form below.
