### **CDi Engineers Hires New Staff**

LYNNWOOD, Washington (December 12, 2008) – CDi Engineers recently added five new mechanical engineering design and CAD staff members at their Lynnwood offices: **Ed Edlin, Timothy Kot, Dennis Littell, Joe Williams,** and **Steven Wood**.

**Ed Edlin** brings 16 years of experience in mechanical design to his position as project manager. He is currently working on the Western Washington University Miller Hall Renovation, and the Providence Regional Medical Center Everett Central Utility Plant.

Mechanical designer **Timothy Kot** graduated from Belarus Technical University with a Masters Degree in Mechanical Engineering. He is currently working on the Central Washington Hospital Expansion project in Wenatchee, WA, and the Legacy Emanuel Children's Hospital New Bed Tower in Portland, OR.

Senior project manager **Dennis Littell** has 29 years of mechanical design experience that he brings to his work on the Central Washington Hospital Expansion in Wenatchee, WA, and the Providence Regional Medical Center Everett Acute Care Tower.

**Joe Williams** and **Steven Wood** both recently joined CDi's CAD department as CAD technicians, and are working on a variety of projects.

CDi Engineers is a mechanical consulting firm headquartered in Lynnwood, Washington. [www.cdiengineers.com](http://www.cdiengineers.com)
