SEAN ABBOTT RECEIVES PROFESSIONAL ENGINEERING LICENSE

CDi Engineers is pleased to announce that Sean Abbott has passed the exam to receive his Washington State Professional Engineering license in mechanical engineering. He joined the firm in 2006.

Abbott brings a strong interest in sustainable design and energy conservation to his work on such projects as Providence Everett Medical Center's new Central Utility Plant, St. Anthony Hospital in Gig Harbor, Oak Harbor High School renovation and addition, and Seattle Fire Station No. 2 renovation.

He recently participated on a team in the Cascadia Region Green Building Council Living Building Challenge, Living Future 07, in Seattle. He is a member of the Association of Professional Engineers and Geo-scientists of Manitoba (APEGM), Winnipeg, Canada; and the Seattle Renewable Energy Meetup Group.

CDi Engineers is a mechanical consulting firm headquartered in Lynnwood, Washington.
