

DAYCARE POLICIES

All dogs must be dog and people friendly.

They must be current on their yearly vaccinations, Rabies and Bordetella (kennel cough) shots. All puppies must have their full series of shots before they come to daycare. All shots must be given by a licensed veterinarian and shot records must be presented to K9 Korral before dogs are allowed in.

Fecal exams must be done by a licensed veterinarian yearly. This is easiest done when they go in for their yearly shots. Results must be supplied to K9 Korral.

Dogs attending daycare are required to be on a monthly flea control program.

They must be spayed or neutered by the time they are 6 months old.

If your dog is sick, coughing, throwing up or has diarrhea or if you notice worms in their stool please do not bring it to daycare until it is well or has been checked out by a vet and they let us know that it is not contagious

Dogs must be on lead when coming in and leaving daycare. Keep them under control when coming and going- there may be a dog in the office or outside that is **not** dog friendly.

Drop ins are always welcome. There are no reservations needed for the daycare. If you want to sign up for a regular day for daycare just let us know.

Lunches: If your dog brings a lunch be sure to clearly mark the bag with its name. Bring just enough for that day. All food that is left over is thrown out at the end of the day. We do not feed breakfasts.

Daycare doggie bath day is the first Friday of the month. If you wish to have your dog bathed we give a bath and brush for a reduced rate for our daycare dogs. Ask at the desk to see what your dog's bath rate will be. Lupita Pizano will be giving the baths. She is a certified groomer. If you want a full groom she will do that for a reduced rate too. Ask at the desk for rates and to make an appointment. Nail trims are also available for \$10.00 more.

Groomer Lupita Pizano, a certified groomer, will be renting out our groom room. She will be doing baths and full service grooming. Her flyers will be in our office with prices and her phone number. Dogs doing daycare or in the kennel will have a reduced rate.

Birthdays If a dog is present in the daycare on its birthday it will get a complimentary day of daycare and birthday treats will be sent home with it.

Waiting politely until people walk through door first

No mounting other dogs or people

Most importantly have fun and play hard and go home tired!!!!!!
